

MICHELIN® X One® TIRE

Total Satisfaction Guarantee

We are so confident that our new MICHELIN® X One® tires will deliver on their promise of fuel savings and weight savings that we'll guarantee your total satisfaction on the two most important aspects of ownership:

Total Driver Satisfaction.

If your drivers are not totally satisfied with the traction and handling of the MICHELIN® X One® tires after the first 60 days and before 150 days of usage, we will issue a full refund (credit memo) for the original value of the tire and the wheel upon their return + \$30 per assembly to cover the dealer service work required.

Total Owner Satisfaction.

If you are not totally satisfied with the bottom line performance of the MICHELIN® X One® tire in terms of mileage, retreadability, weight savings and/or fuel savings after the original tread life of the tire, we will buy back the casing for \$110 and the wheel for 75% of its original value.
